

Meijer Paper Plates

Best Price

QUICK STATISTICS

Strength: Held 5.333 kg on average

Price Per Unit: \$0.0239

Product Dimensions: 22.8 cm. in diameter

The Meijer paper plates were tested by putting gram weights on the paper plates. We did this until the plate ripped, tore, or collapsed.

QUALITATIVE OBSERVATION

The Meijer brand paper plates look like your average paper plate, white plate with indented edges. However, they are very light weight. The whole plate is very slick and smooth. One of it's best qualities is that it is grease resistant.

COST ANALISIS

Total Cost	\$2.39
Number per Package	100 Plates
Cost per Item	\$0.0239

EXPLAINING TEST RESULTS

The Meijer brand paper plates cannot match up to Dixie or Chinnet in the strength category, but it beat all brands in cost.

As we tested our results could have been affected by variables such as, the way the weights were placed on the plates or how we were gripping the plate during testing. Though we conclude that these affects would have been minimal.
